Peace: as we encourage all families to share Holy Communion together. (We welcome the little ones and their noises as Jesus did.)

FR. ALEX'S SABBATICAL. There has been a little confusion about sabbatical(s). Bishop Michael is currently on sabbatical, during which he is gardening, riding his bicycle, and enjoying time with family. Fr. Alex's sabbatical will begin July 17, during which he will be spending time with family, taking Spanish classes, and visiting a monastery or two. Until then, you'll find him at Isotopes games with the parish, working around the office (usually in shorts because he's), hanging out with his kids who are on summer break, visiting parishioners, and leading worship on Sundays. :) Please keep Bishop Michael in your prayers during his sabbatical.

WINGS FOR LIFE. We are thrilled to have as our newest guests here at St. Francis, Wings for L.I.F.E. Wings began its weekly Monday night meetings at St. Francis on April 24. Each Monday, beginning at 6:00 pm, Wings hosts a dinner followed by an educational program. Founded in NM in 1995, Wings' mission is transforming lives to stop the generational cycle of incarceration. Did you know that children of prisoners are 7 times more likely to become incarcerated themselves? (See WFLI (wingsforlifeinternational.org)) To break the cycle, Wings helps to develop the strengths children need to grow into healthy functioning adults. It also provides support for the families of those incarcerated. For more information, talk to Mother Regina or visit Wings website! And, you are invited to come to any of the Monday night dinners/meetings.
